However, if the parents are divorced or if one is deceased, one signature is sufficient, but the notation of "Divorce" or "Deceased" must be made in the space provided. The release must be notarized. Completed minors' releases, entry forms, and responsibilities sheets must be submitted by the current Freestone County Fair Calf Scramble registration date.
2. Exhibitors are restricted to Freestone County:

Arena Rules

2. At no time will a participant be permitted to tie the rope to his/her body or belt.
3. Each participant will attempt to catch one of the calves released. The participant catching a calf is required to lead or back it across the finish line without aid.
4. If a participant has hold of a calf, no other participant will be allowed to touch the calf until it breaks away.
5. If two or more participants catch the same calf, the first participant to touch the calf keeps possession to try and cross the line.
6. A participant who secures and properly leads it across the finish line will be declared a winner when so indicated by the referee.
